# OUR STORY | 我们的故事

The Canada Youth Club Summit is a non-profit event organized by InGenius Prep Canada. The event provides a unique crossroad for a diverse community of student leaders, youth entrepreneurs, community-based organizations, educators and volunteers.

By creating an opportunity to “Connect, Communicate and Collaborate,” our mission is to be the force that encourages young people to take initiatives, cultivate leadership and independence, engage in activities that inspire, and ultimately help build and improve our communities.
